

# Multi-Sided Log Sets and Vent-Free Burners

AMERICAN HEARTH

*American Hearth Shiloh Log Set (LSU-24SF) on a Vent-Free Slope Glaze Vista Burner in a peninsula firebox with custom tile surround. The optional Log Embers Kit (EK-2) and Platinum Glowing Embers (PE20) add that extra spark of realism.*

## Multi-Sided Slope Glaze Burners and Matching Log Sets

Designed to fit see-through and peninsula fireboxes, our Vent-Free Slope Glaze Vista Burners provide a great view from any angle. Ceramic beads inside the burner tumble the gas to create exceptionally realistic flame movement.

- **Choose from Raleigh Refractory or Shiloh Ceramic Fiber Log Sets**
- **18, 24 and 30-inch Vent-Free Vista Burners – up to 40,000 Btu**
- **Choose Millivolt or Intermittent Pilot**
- **Millivolt models include an on/off switch but will operate with Empire remote controls**

*Rugged looking Refractory logs give the Raleigh Log Set a rustic look on a grand scale.*

*Opposite Side View (above)  
and End View (below)*

*Opposite Side View (above)  
and End View (below)*

*Just like a real wood fire, the Shiloh Ceramic Fiber Log Set provides a different look from every angle. The Vent-Free Slope Glaze Vista Burner neatly conceals its controls behind a sliding panel.*
